

# HISTORICKÉ TABULKY SLOVENSKA

PROF. JÁN MUTKOVIČ  
FRANTIŠEK TÓTH

Prof. Ján MUTKOVIČ

## JÁN MUTKOVIČ

Profesor Ján MUTKOVIČ, telovýchovný funkcionár, rozhodca, tréner a publicista, sa narodil 26. 07. 1929 v Trnave. S rodičmi býval v Hlohovci, kde chodil do základných škôl. Maturoval v roku 1949 na gymnáziu v Hlohovci. Po ukončení stredoškolských štúdií pokračoval na Filozofickej fakulte Univerzity J. A. Komenského v Bratislave odbor dejepis, zemepis a štúdium končil s diplomom promovaný historik. Po ukončení štúdia začal pracovať na Pedagogickej škole v Leviciach. Tu sa datujú jeho prvé kroky v športe. V roku 1955 začal pracovať ako vedúci družstva v hádzanej žien v Leviciach v II. lige. V roku 1957 sa presťahoval do Šale, kde sa oženil a začal pracovať na jedenástročnej strednej škole, strednej všeobecnovzdelávacej škole a gymnáziu v Šali, kde učil zemepis, dejepis. K športu v Šali ho získal jeho priateľ, medzinárodný rozhodca hádzanej Ján Vicena. Začal pracovať ako vedúci družstva v II. lige (I. slovenskej lige). Po ukončení súťaže sa družstvo rozpadlo a prof. Ján MUTKOVIČ už ako tréner začal budovať z dorasteniek nové družstvo. Z tohoto kádra je potrebné spomenúť Žofiu Danadovú – Čemanovú, ktorá sa neskoršie venovala i vrhu guľou. Novovytvárané družstvo v jesennej časti v súťaži 1968/1969 zvíťazilo bez straty bodu, no v jarnej súťaži už družstvo malo iného trénera. Tým sa pôsobenie profesora Jána MUTKOVIČA v hádzanej skončilo. A človek, ktorý bol fanatikom do športu, musel niečo robiť.

V šesťdesiatych rokoch vznikol v Šali pod patronátom chemického kombinátu DUSLO atletický oddiel, ktorého dušou bol atletický fanatik profesor Milan MELICHERČÍK. Práve bolo nadstať a kolega Melicherčík z gymnázia v Šali zavolať kolegu Mutkoviča v roku 1969 pracovať do oddielu. Profesor Ján Mutkovič začal pracovať ako tajomník oddielu. Tým sa začalo atletické pôsobenie profesora Jána MUTKOVIČA. Novozaložený oddiel začal vytvárať družstvá a nemal kde trénovať a pretekať. Tak sa začala svojpomocne budovať atletická dráha. Šaľa bola organizátorom atletických súťaží. Po smrti Milana Melicherčíka Ján Mutkovič prevzal funkciu predsedu atletického oddielu.

Schopnosti pána Mutkoviča si všimli funkcionári krajského atletického zväzu a tento začal pracovať na poli štatistiky. Ako skúsený funkcionár a ústredný rozhodca od roku 1972 pracuje ako vedúci súťaže žien II. Slovenskej národnej ligy a neskoršie ako vedúci súťaže I. Slovenskej národnej ligy žien. Od roku 1974 pracuje ako vedúci klasifikačnej komisie. Od roku 1978 pracoval v Športovo-technickej komisii Československého zväzu telesnej výchovy v Prahe a súbežne pracoval ako člen klasifikačnej komisie Slovenského atletického zväzu Slovenského ústredného výboru Československého zväzu telesnej výchovy až do vzniku Slovenskej republiky. Po vzniku samostatného Slovenského atletického zväzu pokračoval v práci ako vedúci klasifikačnej komisie a člen súťažnej komisie. Ako ústredný rozhodca pracuje ako riadiaci súťaží a ako technický delegát na Majstrovstvách Slovenska. Štatistika sa začala robiť počítačom programom Štatistika. V šesťdesiatych rokoch života sa pomaly začína učiť práce s počítačom. Po odchode Dr. Antona Ihringa z funkcie predsedu Slovenského atletického zväzu začal pracovať ako člen štatistickej sekcie Slovenského atletického zväzu. V deväťdesiatych rokoch odchádza do dôchodku, no v športe pracuje ďalej.

Jeho práca v štatistike vždy smerovala k vydaniu ročných tabuliek v jednotlivých vekových kategóriách. Už dlhé roky spolupracuje s oddielmi na Slovensku v oblasti nahlasovania výkonov pretekárov jednotlivých oddielov. S niektorými oddielmi sa mu spolupráca darí, s niektorými menej darí. Po vydaní tabuliek a nenájdení niektorých výkonov členov oddielov sa tréneri i vedúci družstiev ohlasujú u pána Mutkoviča a neuvedomujú si, že tie ich výkony neboli do centra štatistiky doručené, a preto neboli v tabuľkách uverejnené.

Okrem vydávania atletických ročeniek v oblasti publicistiky vydal v roku 1981 ATLETIKA NA SLOVENSKU V ČÍSLACH, II. diel v roku 1985 DLHODOBÉ TABUĽKY DOSPELÝCH SLOVENSKA. Pri príležitosti 100 rokov atletiky bol spoluautorom PhDr. Zdenky LETENAYOVEJ knihy 100 ROKOV ORGANIZOVANEJ ATLETIKY NA SLOVENSKU. Mal rozpracovaný i III. diel Atletiky v číslach, no k vydaniu nedošlo.

Z ocenení je potrebné spomenúť, že je držiteľom III., II., a I. stupňa Za zásluhy a rozvoj telesnej výchovy. Pri príležitosti 60. rokov života dostal ku Dňu učiteľov Ďakovný list Krajského národného výboru v Bratislave. Pri oslave 100 rokov atletiky dostal Zlatú medailu v atletike. V roku 1999 dostal Titul zaslúžilý pracovník v telovýchove v okrese Šaľa. V súkromnom živote má dvoch dospelých synov. Jeho plány do budúcnosti. Zdokonalil sa v práci s počítačom. Dokončil Historické tabuľky Slovenska dospelých.

Profesor Ján MUTKOVIČ zomrel 21. 10. 2000.

Po smrti profesora Jána Mutkoviča v októbri roku 2000 som sa dostal k jeho pripravovaným historickým tabuľkám mužov a žien, ktoré obsahovali 100 výkonov v súťažných disciplínach a 50 výkonov v nesúťažných disciplínach. Tieto tabuľky som pánovi Mutkovičovi pomáhal prepisovať na počítači.

Myslel som si, že dokončenie týchto tabuliek urobí niektorý kolega zo štatistiky na Slovensku. Myslel som pánovi Alfonza Jucka alebo Mariana Kalabusa. No nestalo sa tak. V roku 2011 som sa konečne rozhodol, že prácu svojho učiteľa dokončím. Myslím si, že profesor Mutkovič, ktorý ma priťahoval k atletike a neskôršie aj ku štatistike, si to zaslúži.

## PRÍHOVOR

V minulých rokoch sa štatistika robila tužkou, gumou a zošitom. Na konci kalendárneho roku sa tabuľky jednotlivých vekových kategórií prepisovali zo zošita písacím strojom na liehovú blany a potom sa rozmnožovali a skladali do knižky. Po nástupe počítačovej éry chlapci z Nového Mesta nad Váhom KAZIMÍR HUNČÍK a VLADKO BORSKÝ začali vytvárať program pre spracovanie agendy pretekov „ESO“. Predsedom ZsAZ bol JOZEF MALÍK a pri práci na vytváraní programu pre preteky bol i prof. Mutkovič. Po programe ESO bola na rade registrácia a štatistika. Dvojica z Nového Mesta vytvorila program „STAT“. Tento program mal vytvorenú databázu pretekárov a spracovával poloaufomaticky alebo ručne výsledky z pretekov. Spolu s pánom Mutkovičom sme pomáhali vychytávať jednotlivé chyby programov.

V týchto chvíľach si myslím, že je potrebné spomenúť, ako som ja začal robiť štatistiku. Niekedy v mesiacoch október alebo november v roku 1990 mi doniesol prof. Mutkovič balík výsledkov, veľký zošit formátu A4, obyčajnú ceruzku a klasickú gumu. Komentár bol nasledovný: „Zuza Liptáková mi ešte neurobila tabuľky starších žiakov a žiačky, a tak ich urobíš Ty“. A od toho času som robil štatistiku výkonov Slovenského atletického zväzu. Neskôršie, keď som sa so Zuzkou Liptákovou stretol a povedal som jej túto príhodu, sme sa obidvaja schuti zasmiali.

Vlastné dokončenie historických tabuliek, ktoré mal pán Mutkovič rozpracované, pozostávalo v kontrole jeho už spracovaných tabuliek a doplnenie chýbajúcich ročníkov až po rok 2014. Pán Mutkovič zomrel v roku 2000. V mojich dostupných materiáloch som mal na počítači tabuľky od roku 1995. V týchto materiáloch som mohol kontrolovať tabuľky, ktoré spracovával pán Mutkovič. Počas niekoľkých rokov sa mi podarilo dostať k štatistikom v Čechách, ktorí mali spoločnú štatistiku Slovákov aj Čechov. No pri kontrole mojich materiálov sa zistilo, že databáza výkonov českých štatistikov končí asi v polovici našich tabuliek. Takto skončila kontrola a chyby zhruba na 50.–100. mieste tabuliek môžu byť.

Ešte jedna príhoda, ktorú si myslím, je potrebné spomenúť. Ako štatistik SAZ som pravidelne v kontakte so štatistikmi v Čechách. V Čechách je skupina Klub veteránov atletických zväzov. Do tohto klubu vyberajú členovia klubu. Podmienkou pre vstup je 60 rokov a sľub, že na stretnutiach sa nesmie hovoriť o zdraví a o politike. Stretnutia tohto klubu sa poriadajú 1 x za rok pri oslavách narodením okrúhlych a polo okrúhlych jednotlivých členov. Oslávenci hostia ostatných účastníkov stretnutia. Miesto konania sa vždy vyberie rok dopredu a už sa konalo aj na Slovensku a skoro po celých Čechách. Na týchto stretnutiach som sa spoznal so štatistikom MILANOM URBANOM a ten mi poradil človeka, čo spracováva historické tabuľky v Čechách LUDKA FOLPRECHTA a napísal som Zdenkovi mejl. Odpoveď prišla obratom. Zdenek sa priznal, že pri debatách s Alfonzom JUCKOM sľúbil, že pomôže pri zostavovaní slovenských historických tabuliek, hlavne kontrolou starších výkonov. Jeho práca trvala viac ako rok a tabuľky sú tu.

Pri práci mi veľmi pomohli kolegovia z Českej republiky LUDĚK FOLPRECHT, JIŘÍ KODAR, VÁCLAV KLVAŇA, MILAN URBAN. A samozrejme musím poďakovať kolegovi štatistikovi zo Slovenska MARIANovi KALABUSovi.

Pre vytlačenie historických tabuliek mám prísľub od Slovenského atletického zväzu a dúfam, že sa mi podarí osloviť niektorých starých členov Atletického oddielu Slovan Duslo Šaľa, ktorí taktiež pomôžu finančne zabezpečiť tlač týchto historických tabuliek.
